

Uniform Information Booklet

Our uniform policy is set to reflect a practical approach to achieving a standard of uniform that is both functional and smart. It is designed to achieve equal opportunities wherever possible; to ensure that the students enjoy a corporate identity; to provide safe and functional clothing and footwear and to minimise any personal risk to the health and safety of students and staff.

The standards set in a school, and in particular the standard of uniform, does much to enhance the learning environment for the students. The atmosphere created through the compliance of students to this dress code will do much to set the tone of the school and will greatly help to encourage a good work ethic for all students.

Please make yourself aware of the rules and expectations on the following page. These standards must be strictly adhered to by all students.

The college reserves the right to define what styles of clothing are acceptable in addition to those stated. If you are unsure please contact us for guidance before making purchases.

Identifying Your Items

When you have purchased uniform and are satisfied that you will not need to return or exchange it, please ensure that all items are clearly named. Belongings that are lost can be easily returned to their owner if they have been named. This is not the case for un-named items.

If you wish to order name tags from www.MyNameTags.com, please quote our school number 36759 on the checkout page, as this will raise funds for the college. You can also receive a 5% discount if you use the code SCHOOL5.

Rules and Expectations

All students are expected to wear their uniform correctly and with pride. Ties must be worn correctly, with the top shirt button done up and the shirt tucked in. All items of clothing must be clearly marked with the owner's name – please check regularly that the name is still visible.

The college cannot accept any responsibility for loss of property, or injury incurred by students having inappropriate dress, footwear or jewellery.

Students not wearing correct uniform will be removed from lessons until the uniform issue is rectified, usually by the correct item being brought in to college for them.

Students are not permitted to wear make-up, nail polish or any type of false nails.

▲ **Blazers** – The college blazer is to be worn at all times, unless permission is given for it to be removed. We discourage students from wearing any non-uniform clothing such as coats* sweatshirts, hoodies, etc. and, if these are worn, they must be removed upon entry to the building. *weather permitting

▲ **Skirts** - Skirts must be between five centimetres above or below the wearer's knee. Please ensure that your child's skirt falls within these boundaries when you purchase it as skirts of a length outside of this are not permitted under any circumstances.

▲ **Trousers** – Trousers must be dark grey, traditional, formal style tailored school trousers. Other colours or styles such as jeans, leggings or sports-wear are not permitted; please ensure that trousers conform to the style required before purchasing.

▲ **Collared Shirt and Tie** – Shirts must be worn tucked in with all the buttons done up right up to the neck underneath the college tie, which must be tied appropriately.

▲ **Jumpers** – The college uniform jumper is an optional item that may be worn in addition to the blazer. No other jumpers or cardigans, etc., are permitted.

▲ **Shoes** - Shoes must be wholly black, with no white or coloured markings whatsoever and any laces must be black. They must be water-proof (leather-look/polishable) and of a style that is compliant with the acceptable styles on the shoe guide on the following page. Please note that any style of boots, trainers, plimsolls, converse/vans or similar, sandals, flip-flops, high heeled, canvas or suede shoes are not permitted in any weather.

▲ **Face and Head Coverings** - For reasons of security and health and safety, no hats, helmets, hoods or face veils should be worn in the college. Headscarves and turbans may be worn on religious grounds only and must be black or white in colour. Any other items such as scarves must be removed upon entry to the building.

▲ **Jewellery** – Students are permitted to wear a maximum of one small discreet stud earring in each ear and one finger ring of plain design, all of which must be removed for practical and PE lessons. No other items of jewellery, including facial piercing jewellery or retainers, are permitted under any circumstances. We accept no liability for jewellery brought into college.

▲ **Hair** - If longer than collar length, hair must be tied back in situations where it could cause a danger to the individual or others, such as in PE and other practical lessons. Extreme fashion hairstyles and colours are not allowed. Hair must be natural colours only.

▲ **Specialist Clothing** - Some subjects will require specialist clothing, such as aprons, laboratory coats and goggles. Students are to wear the required specialist clothing when directed by staff.

PE Kit

All items of kit **must** be clearly marked with the owner's name and students must take responsibility for ensuring that they leave the changing rooms with all of their belongings. Footwear for outdoor sports must be suitable for the conditions, i.e football boots for wet days. Football boots should have approved rubber or metal studs; blades are not permitted. Blue PE socks are recommended for outdoor sports such as football or rugby. Footwear and socks must be a change from items worn all day. Students who play for the college football, rugby, netball and/or hockey teams will at times play on 3G pitches, where only rubber or astro-turf trainers will be permitted.

How do I know what size to order?

The uniform comes in a wide range of sizes, but all garments are sized in inches (e.g. 36" chest, 34" waist) rather than in age. This means that you will need to know your child's waist and chest measurement. We recommend ordering the size above the measurement, ie measurement 32" – order 34".

To take a chest measurement: take a tape measure through the arms and around the fullest part of the chest.

To take a waist measurement: place a tape measure around the natural waistline, taking care not to pull it too tightly.

Skirts come in two lengths: Regular (20 inches) and Long (22 inches) and, as skirts must rest less than 2 inches (5 centimetres) above or below the wearer's knee, you will need to measure the distance from the waist to knee to determine the length you require.
