Dear parents and carers

I have written regularly to ask that parents and carers drive and park responsibly around the College. The majority of people do so and I am very grateful to them. To the minority who continue to drive and park irresponsibly around the vicinity of the school, I again politely request that you make arrangements to meet your children slightly further away from the college site.

There is nowhere in the immediate vicinity of the college site for drivers to park safely, sensibly and considerately. Please do not attempt to do so.

Colleagues, parents and members of the public have raised concerns regarding the danger to our students and others caused by the actions of drivers and we are investigating ways we can help to make the area safer. However, the most effective way for this to happen is for drivers to act responsibly and in the best interests of the whole community. Please, please think very carefully about the potential outcome should an accident happen in this busy area and take action to help ensure that this never happens.

Yours sincerely
