Dear Parents and Carers

Happy New Year; I hope you have enjoyed the festive season.

As you are aware, a team of Ofsted Inspectors recently spent two days at the school as part of the regular inspection cycle. I am delighted to now be able to share their report with you.

The report confirms that the College continues to be a good school and inspectors were very positive about our work across all areas of the inspection framework. We will, of course, continue to improve and develop the College, with the interests of our students at the centre of all we do.

Once again, I would like to thank our students for being such excellent ambassadors for the College, and thank you to all of our staff, whose commitment to our students' success and wellbeing is fundamental to the College's success.

With best wishes
