

..... At the start and the end of the school day, when pedestrian traffic is heavy with children arriving and leaving, there is no vehicular access past these points.

Parking is very restricted near to the college; our staff car parking (yellow areas) is full well before 8 am. The best place to park is Marnham Road then use the footpath (pink arrow) between the football ground and swimming pool to get to our main entrance. Alternatively, you can use the pay on entry car-park (blue square) at the swimming pool*. The map above should help. If you will be using a satnav, it is better to put in the postcode for the swimming pool TQ1 3QP, as the college postcode will have you directed to the wrong entrance.

*This car-park has a registration plate recognition system and payment is made via the RingGo parking app; you will get a fine if you don't pay the parking fee. The College has no jurisdiction over this car-park.
